

In accordance with the decree of May 25, 2016, the doctoral student must file the thesis file to the university library, in electronic format, summaries and keywords, no later than one month before the defense of the theses, for archiving, reporting and , dissemination (excluding confidentiality clause) on the university intranet. This deposit is mandatory and conditions the defense, the issuance of the provisional certificate of achievement and diploma. Dissemination by the institution of the thesis validated on the internet via the TEL server is subject to authorization by the author. The confidentiality declared by the president of the university to respect the rights of the industrial property is distinct from the embargo on the diffusion on Internet which is the only choice of the author. During the defense, the jury indicates on the form "Jury opinion on the archiving and dissemination of the thesis defended" if the thesis must be archived and distributed "as is or after minor corrections" or only after major corrections.

✓ As is or after
minor
corrections

" Fouls, misspellings,
missing acknowledgments,
conclusion to be qualified,
missing reference,
compliance of the cover
with the graphic charter
validated by the university
... "

The doctor may can file a new version of his thesis incorporating minor corrections under the following conditions :

- Upon receipt by the library of the opinion
- One deposit after defense within three months
- Verification of compliance for archiving by the library
- In the absence of filing in time, the version of the thesis filed before defense will be permanently archived and disseminated

✓ Major
corrections

" Appear on the minutes of
defense "

The thesis can only be archived and disseminated after major corrections. The doctoral student must submit, under the responsibility of a designated jury member, a new version of his thesis incorporating the major corrections requested by the jury during the defense under the following conditions :

- E-mail of the doctoral school certifying that the requested corrections were made (the validation of the corrections is organized by the doctoral school)
- One deposit after defense within three months
- Verification of compliance for archiving by the library
- The issue of the diploma certificate is subject to the submission of the corrected thesis
